TITAN

nano-ceramic

Black Armor Titan film rejects considerable heat thanks to its nano-ceramic technology, providing you with a cool, comfortable cabin even in excessive temperatures.

This technology does not interfere with radio signals, providing convenience using wireless devices. A long-lasting, reliable choice of film designed to withstand our harsh Australian climate.

LIFETIME WARRANTY

All Black Armor Window Films are covered by a nation-wide lifetime warranty*.

7 REASONS TO TINT YOUR CAR

1. Decrease Heat
2. Reduce Fading
3. Cut Glare
4. Improve Comfort & save energy
5. Increase Safety
6. Enhance your vehicle's appearance
7. Minimise Cancer & Sunspots
